AUTHORIZATION: I certify that the facts contained in this application (and accompanying resume, if any) are true and complete to the best of my knowledge. I understand that any false statement, omission, or misrepresentation on this application is sufficient cause for refusal to hire, or dismissal if I have been employed, no matter when discovered by the company.

I understand that any employment is conditioned on a background check. I authorize the Company to thoroughly investigate all statements contained in my application or resume, and I authorize my former employers and references to disclose information regarding my former employment, character, and general reputation to Paw-zn-Around, without giving me prior notice of such disclosure. In addition, I release Happy Hounds LLC, any former employers and all references from any and all claims, demands or liabilities arising out of or related to such investigation or disclosure.

I understand and agree that nothing contained in this application, or conveyed during the interview, is intended to create an employment contract. I further understand and agree that, if I am hired, my employment will be "at will" and without fixed term, and may be terminated at any time, with or without cause and without prior notice at the option of either myself or Happy Hounds LLC. No promises regarding employment have been made to me, and I understand that no such promise or guarantee is binding upon Happy Hounds LLC unless made in writing.

If I am offered employment I agree to submit to a medical examination and drug test before starting work. If employed, I also agree to submit to a medical examination or drug test at any time deemed appropriate by Happy Hounds LLC and as permitted by law. I consent to such examinations and tests, and I request that the examining doctor disclose to Happy Hounds LLC the results of the examinations and tests which results shall remain confidential and segregated from my personnel file. I understand that my employment or continued employment, to the extent permitted by law, is contingent upon satisfactory medical examinations and drug
